Manufacturer	Medline International France SAS 5 rue Charles Lindbergh 44110 Châteaubriant France	Single Registration Number of the Manufacturer	N/A
Product range	Sterile procedure packs containing : gowns, surgical drapes, table cover and/or instrument cover		
Product codes	See attached reference list of catalog numbers and initial lot numbers		
Classification	Europe: Class I, Sterile - Rule 1 Australia: Class I (sterile)		
GMDN codes	See attachment		

European Union Regulations:

We herewith declare under our sole responsibility that the above-mentioned products meet the provisions of the following EU Regulations and/or Council Directive(s) as transposed into national laws.

Applicable directive/regulation:	Medical Device Directive: Council Directive 93/42/EEC of 14 June, 1993 (MDD 93/42/EEC) as amended
Conformity assessment procedure per MDD 93/42/EEC or MDR 2017/745	V
Notified Body	BSI, The United Kingdom – CE: 0086 (before the 4 th March 2019) BSI, The Netherlands – CE: 2797 (from the 4 th March 2019)
Certificate n°	CE597089
First Issued (Place/Date)	The United Kingdom, 17 th July 2013
Applicable standards and/or Common Specifications	Listed in technical file # 01

Australian Regulations:

This is a declaration of conformity made under clause 6.6 of Schedule 3 to the Therapeutic Goods (Medical Devices) Regulations 2002.
Each kind of medical device to which the declaration of conformity procedures applies, the production quality assurance procedures have also been applied. Each kind of medical device to which the technical documentation applies complies with the applicable provisions of the essential principles, the classification rules, and these procedures.

All supporting documentation is retained at the premises of the manufacturer.

Authorised Signatory:
