Official distributor Wassenburg Medical

Dear Mrs Grochowska,

With this letter we declare that Media-MED Sp. z.o.o. is the exclusive partner in Poland for distribution of the Wassenburg products.

Wassenburg Medical B.V. is manufacturer of the WASSENBURG® WD440 and the WASSENBURG® WD440 PT endoscope washer disinfectors, the WASSENBURG® DRY series drying cabinets and the WASSENBURG® Process Manager process registration software. Media-MED Sp. z.o.o. is responsible for sales and service in Poland for those products and is entitled to prepare commercial offers for the mentioned products, including accessories, spare parts and disposables and provide service for measurement, maintenance and repair of the products.

The validity of this declaration corresponds to the validity of our mutual Distribution Agreement.

We hope to have sufficiently informed you with this letter.

Yours sincerely,
WASSENBURG MEDICAL B.V.

J.H.M. van den Bergh
