

The graph shows a piecewise linear function on a coordinate system. The function is composed of several linear segments. A specific segment is highlighted in blue, and several vertical green lines are drawn at specific x-coordinates, likely representing the nodes of the piecewise linear approximation.

A hand-drawn sketch of a building facade. It features a long, low structure with a sloped roof on the left side. On the right side, there is a section with a flat roof, outlined in blue, which appears to be a covered walkway or a different structural element. The drawing is done in simple lines on a white background.
