BS EN 1865-1:2010

Letter of Compliance

This Equipment has satisfied all requirements of paragraph(s) **4.1, 4.2 (Excluding 4.2.3), 4.4, 5.1 and 5.3** of BS EN 1865-1:2010 in order to achieve compliance for **STRETCHERS, UNDERCARRIAGES AND MATTRESSES**.

Appropriate tests have been witnessed by the Vehicle Certification Agency and the Vehicle Certification Agency have documented the specification of the equipment tested. See VCA test report: **T1865-1 USQ316199**

Reason for extension: Not Applicable

1. **Make (trade name of manufacturer):** Stryker Medical
2. **Type and general description:** Model 6100 M-1 ambulance stretcher in conjunction with Model 6376/6373/6381 M-1 ambulance stretcher center mount fastener.
3. **Means of Identification:** Part number and trade name on specification label
4. **Location of that Marking:**
 - Litter:** Underside of adjustable backrest
 - Base:** Bottom side of centre extrusion
 - Mattress:** Bottom side of mattress cover
 - Fastener:** Near to head of latches
5. **Category of Vehicle:** Not applicable
6. **Name and Address of Manufacturer:**

Stryker Medical
3800 E. Centre Ave.
Portage, MI 49002
United States of America

Manufacturer's representative:

Stryker France
ZAC Satolas Green Pusignan
Av. De Satolas Green
69881 MEYZIEU Cedex
France

7. **If approved as a Separate Technical Unit, Location of that marking:** Not applicable
