

Technical drawing of a window frame showing dimensions and section lines. The drawing includes a central vertical section line labeled 'A' at both ends and a horizontal section line labeled 'B' at both ends. The overall width is 98 and the overall height is 119. The height is divided into two main sections: 65 for the upper part and 119 for the lower part, with a small gap of 8 between them. The text 'Hw=192' is present on the right side. The drawing shows a double-pane window with a central mullion and a bottom rail. The glass panes are indicated by diagonal lines and dashed lines representing the frame and sashes.

[illegible]

Technical drawing of a four-pane window. The drawing shows a front view with dimensions and section lines A-A and B-B. The overall width is 117.5, divided into four sections: 4, 46.5, 8, 46.5, and 4. The overall height is 196.5, divided into two sections: 119 and 69.5. The window is divided into four panes by a central vertical mullion and a horizontal transom. Each pane is 46.5 wide and 119 high. The mullion is 8 wide. The transom is 4 high. The window is shown with a central vertical section line A-A and a horizontal section line B-B. The panes are shown with diagonal lines indicating the glass. The drawing is a technical drawing of a window, showing the frame, mullion, transom, and panes. The dimensions are given in millimeters.

C - słupek ruchomy
D - przekrój przez ślepię
(dół otwierany, góra otwierana)
E - profil okienny dół
