

Technical drawing of a four-pane window with a semi-circular top. The drawing shows the window frame, panes, and hardware. Dimensions are indicated on the right side: 209 for the height of the rectangular section and 225 for the total height including the semi-circular top. Section lines A-A and B-B are shown.

Technical drawing of a mechanical part, likely a bracket or support, showing dimensions in millimeters. The drawing includes a top view and a side view.

Top View Dimensions:

- Overall width: 165.2
- Overall height: 27
- Distance from left edge to first vertical step: 6.1
- Distance between first and second vertical steps: 57.8
- Distance between second and third vertical steps: 142.2
- Distance from third vertical step to right edge: 6.1
- Distance from left edge to first vertical step (inner): 4.2
- Distance between first and second vertical steps (inner): 5.4
- Distance between second and third vertical steps (inner): 57.8
- Distance from third vertical step to right edge (inner): 5.2
- Distance from left edge to first vertical step (outer): 2.3
- Distance between first and second vertical steps (outer): 5.2
- Distance between second and third vertical steps (outer): 63.8
- Distance from third vertical step to right edge (outer): 5.5

Side View Dimensions:

- Overall height: 27
- Distance from top edge to first horizontal step: 12
- Distance between first and second horizontal steps: 12
- Distance from second horizontal step to bottom edge: 3
- Distance from left edge to first horizontal step: 4.2
- Distance between first and second horizontal steps: 5.4
- Distance between second and third horizontal steps: 57.8
- Distance from third horizontal step to right edge: 5.2
- Distance from left edge to first horizontal step (inner): 4.2
- Distance between first and second horizontal steps (inner): 5.4
- Distance between second and third horizontal steps (inner): 57.8
- Distance from third horizontal step to right edge (inner): 5.2
- Distance from left edge to first horizontal step (outer): 2.3
- Distance between first and second horizontal steps (outer): 5.2
- Distance between second and third horizontal steps (outer): 63.8
- Distance from third horizontal step to right edge (outer): 5.5

[illegible]

204.76

This architectural drawing shows a four-pane window with a decorative arch. The window is divided into four rectangular panes by a central vertical mullion and a horizontal transom. The top two panes are arched, while the bottom two are rectangular. The entire window is framed by a multi-layered border. A vertical dimension line on the left side indicates a height of 204.76 units.
