

LEGENDA

This detailed architectural floor plan illustrates a complex building layout across several floors. The plan includes numerous rooms, each with specific dimensions and furniture arrangements. Key features include a central entrance hall, multiple bedrooms (e.g., K15, D14, K16), a large living room, and a kitchen area. Various annotations provide additional information: a red dashed box highlights a section in the top-left; a red arrow points to a specific area in the middle-left; a blue dashed line with arrows indicates a path or boundary; and several pink squares are placed on the floor plan, likely indicating specific points of interest or equipment locations. A small car icon is positioned near the top center. The plan also shows structural details like walls, windows, and doorways.

LEGENDA

The diagram illustrates the stratigraphic relationships between three geological units:

- Katalinazga dolomudstone** (dotted line) is positioned above **Katalinazga dolomite** (solid line).
- Katalinazga dolomite** (solid line) is positioned above **Katalinazga sandstone** (dash-dot line).
- Katalinazga sandstone** (dash-dot line) is positioned above **Katalinazga dolomudstone** (dotted line).
