Procedure Cancellation Notice

Concerns: *Delivery of the Intellectual Property components targeted to the integrated circuits manufacturing silicon process technology – ref. No. F2/26/2023/ZP.*

Acting pursuant to Art. 260 of the Public Procurement Law Act (Journal of Laws of 2019, item 2019 with subsequent amendments), hereinafter referred to as “PPL”, the Contracting Entity hereby notifies about cancellation of the procedure.

Legal grounds: Art. 255 Par. 2) of the PPL, all requests to participate or tenders submitted are subject to rejection

Factual grounds: in the procedure, the bid was submitted by the Contractor: SI2D GmbH, Gustav-Tauschek-Str. 7, 99099, Erfurt, Germany

The bid was rejected on the basis of Article 226 par. 1 point 3 - its content is inconsistent with the provisions of the Act.

In the public contract awarding procedure with value of the contract does not exceed the EU thresholds, the bid shall be placed in electronic form (i.e., with the affixed qualified electronic signature) or in electronic form with trusted signature or personal signature, otherwise it shall be considered invalid.

The bid has not been affixed with any of the above-mentioned signatures.
