

[illegible]

Technical drawing of a mechanical part with dimensions and labels 1 and 2. The drawing shows a cross-section of a part with a total width of 350 and a total height of 450. The top surface is sloped, with a horizontal distance of 100 from the left edge to the start of the slope, a horizontal distance of 150 for the slope itself, and a horizontal distance of 100 from the end of the slope to the right edge. The vertical height of the sloped section is 120. The part is divided into three horizontal sections: a top section of height 150, a middle section of height 150, and a bottom section of height 150. A horizontal section of height 200 is shown on the left side. The part is labeled with '1' and '2' at the bottom, indicating different materials or sections.
